WHERE ART MEETS FABRIC

CUSTOM TEXTILE PRINTING | ECO & QUALITY FOCUSED

ALFA TEXTILES

CUSTOM TEXTILE PRINTING | ECO & QUALITY FOCUSED

How The Journey Started

Begun with a love for the arts and a dream of innovative textile printing, Alfa Textile has established itself as the premiere source for fabric printing in the region. We started as a small, family owned and operated business with a vision to open a world of opportunity at your fingertips when it comes to print-on-demand custom fabric printing.

Our team with years of experience in textile production and thrives on modern printing techniques. We are always growing to best fit the needs of today's creative industries, while keeping a mind on eco-friendly practices without compromising on quality or detail.

Our Values

- **Creativity** – We believe every design deserves to shine.
- **Quality** – Excellence is in every inch we print.
- **Collaboration** – Your vision, our expertise—perfectly aligned.

What sets us apart? Personalized service, cutting-edge equipment, and a deep respect for the craft of textile printing.

Vision

- Our vision is to redefine the future of textile and sublimation printing by becoming the trusted partner for designers, brands, and businesses worldwide. We aim to bridge creativity with technology, offering innovative printing solutions that set new standards of quality, efficiency, and sustainability. By providing seamless support from concept to production, we strive to make customization accessible, scalable, and impactful. We envision a world where every idea can be transformed into a tangible product—on time, with precision, and with the power to inspire.

Mission

- To empower designers, brands, and manufacturers by turning creative visions into premium printed fabrics that are always on time, on spec, and on trend. We combine advanced sublimation technology with industry expertise to deliver results that meet the highest standards of quality and consistency. Whether it's sampling, seasonal collections, or large-scale runs, we help you move from concept to production with speed and confidence. With us, every fabric tells your story—boldly, beautifully, and exactly as you imagined.

Focus on Expertise and Innovation

Unlocking Potential with Alfa Textile's Expert Services

Customization

Our services are tailored to your specific business needs and goals.

Partnership

We work with you as a true partner, invested in your success.

Quality Assurance

We are committed to maintaining the highest standards of quality at every stage.

Innovation

We stay on the pulse of the latest trends and technologies to provide cutting-edge solutions.

Services We Provide

Specialized Services

Enhance your textile printing with our durable, customizable, and cost-effective roll-on tubes designed to deliver consistent results and maximize your production efficiency. Precision matters in textile printing. Whether you're producing fashion garments or specialty textiles, inconsistent results and frequent equipment failures can cost you time, money, and customers. Our roll-on tube service provides the reliability and accuracy you need to take your printing operations to the next level.

Core Sublimation Printing Services

We're more than a printing service—we're your partner in customization. Our sublimation solutions go beyond products to help brands, businesses, and individuals stand out. From apparel to home décor, promotional items to corporate branding, we make creativity practical and impactful. Enjoy vivid, lasting prints on a wide range of materials while saving time with our full-service support. Maintain consistency, scale with confidence, and bring ideas to life faster with expert guidance every step of the way.

Custom Fabric Printing

Your fabric, your design, your way. With our Custom Fabric Printing service, we bring your creative ideas to life on the fabric of your choice—whether it's for fashion, décor, or any other project where unique prints matter. What Makes Our Custom Printing Special?

- 1 Complete Creative Freedom
- 2 Wide Fabric Choices/Poly chiffon/Poly fancy dupattas/Poly satins/ Poly shawls/Poly lawn
- 3 High-Quality, Durable Prints
- 4 Small or Large Orders Welcome

Value-Added Services

We're more than just printers—we're your creative and production partner. Our value-added printing services are designed to give you the extra edge, whether you're designer, brand, retailer, or manufacturer. From idea to delivery, we help make your process smoother, faster, and more efficient. Save time and reduce back-and-forth with a full-service approach. Maintain brand consistency and quality across every order. Improve speed to market with reliable logistics and support. Get peace of mind with expert guidance at every stage.

Fabric Supply with Printing

Looking for a one-stop solution for both fabric and printing? We've got you covered. Our Fabric Supply with Printing service is designed to make your creative process seamless, from sourcing the right base material to delivering it beautifully printed and ready for production. Not all fabrics behave the same and that's where our experience comes in. We guide you in matching your printstyle (and ink type) to the most suitable fabric, ensuring the final result meets both aesthetic and functional needs.
